

From Rich Harner

Good morning,

Professor Jennifer Brannock prepared this digital 1919 Fairbanks Morse price book. I really like this one.

Yours, Rich Harner

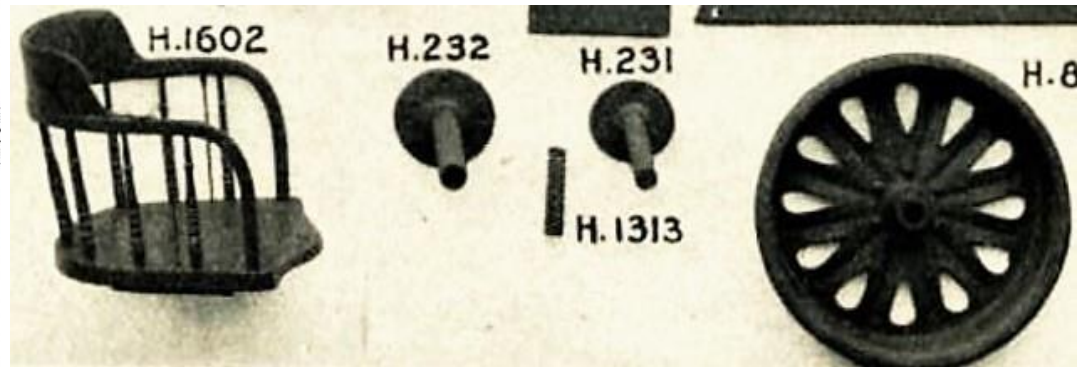

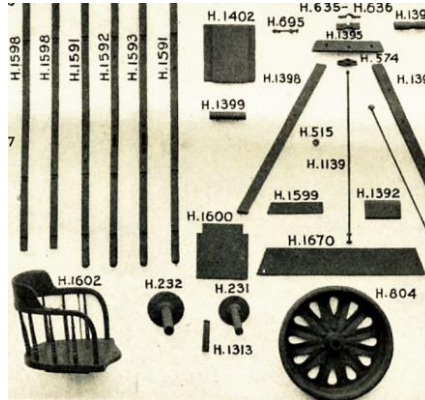

The brochure titled

Sheffield Hand and Push Cars dated April 1919

is now available online. You may view it at

<http://digilib.usm.edu/cdm/ref/collection/rarebook/id/6514>.

This brochure is gold dust it contains photos of all the parts. My favourites are on pages 30-31 & 32-33. A complete beaut. The Professor is a star. You can Build from this. Jacquie

Inspection Pump Car, you can take the wheel size from the parts list and use it to **scale** all the parts, like the seat.
